Attendance/General Policy Contract:

We take our roles as mentors and teachers in your child's life very seriously. It is our objective to inspire a passion for the art of dance in every child who passes through our doors. In the process, we strive to set the right example and help your child (and you) create memories that will last a lifetime. It is a fundamental necessity for the teacher/choreographer to have the time to work with the student. When students are not present for class/choreography the students' technique and dance numbers become weak. The absent student becomes disinterested and insecure with their knowledge and ability. Classmates get frustrated with the absent student as a result of repetitive instruction and restaging of steps and choreography for the absent student's benefit. As a result, students' positions become altered, replaced, or possibly removed.

Multiple absences or tardiness to class can severely hamper a student's progress and result in injury as the class progresses. Poor attendance may require a student to switch to a lower level, repeat a level, lose role in Nutcracker or Competition Troupe, or be dismissed from the studio.

Maximum number of acceptable absences, between August-June, is 10 (ten). Excused absences will be documented by the office and amended in the master role books.

The last two weeks of class and the Recital week are **mandatory** for all students. If a student exceeds the number of non-exception absences for the first half of the Dance term, the student will be moved down one level. If the student exceeds the number of non-exception absences in the second half of the Dance term, the students/parent/guardian must pay for the costume fee, but the student will not be allowed to perform in their dance for the recital.

Please note that if the dancer misses rehearsals for any reason, they may be recast.

If a dancer misses a dress rehearsal they will not be allowed to perform.

Exceptions and Non-exceptions. Exceptions are based on situations that are beyond the student's control. Non-exceptions are situations in which the student/parent/guardian makes the decision to do something instead of the student attending their dance class.

Exceptions to policy: (These items do not count as absences for the student)

- A doctor's note stating the student is restricted due to illness or injury. (A copy must be on file with the front office.)
- Hospitalization of the student or an immediate family member. • Death of a family member.
- Student's graduation or immediate family member's graduation.

Examples of Non-Exceptions to policy:

- Non-hospitalized illness • School Concerts (even required ones) • School Dances
- Sports Events • Staying the night with a friend. • Going out for dinner • Going to a movie
- A friends graduation • Birthday Party

General Policies

Studio Closures: The Allegro Dance Company observes the holiday breaks of Thanksgiving week, Winter Break, and Spring Break. We will send out a Studio Closure Schedule via email to all current students in September.

Allegro's Inclement Weather Policy: A decision will be made at 2:00 p.m. if the studio will be open or closed for class. Please check the studio voicemail for the message after 2:00 p.m. We will also send out an email at 2:00 p.m. letting you know the status as well. As a reminder, we do not run with any specific school system. If we are closed due to inclement weather, we will schedule a makeup class or if there is another class available on the schedule, the student will makeup in that class.

Tardiness: Dance is a physical activity that requires the body to be warmed up in order to execute movement safely. Late students miss the proper warm-up and/or barre and therefore may sustain injury. Students who arrive more than 5 minutes late may be asked to observe class for reasons of personal safety.

Make-up Classes: The student is required to make-up absences in an equivalent class or one class level below during the month the absences occur. Please check with the office to determine the best make-up class for you child.

Illness: Colds, flu, and other contagious disease occur frequently and spread easily among children. To help protect your own child's health and to minimize the possibility of contagion at school, please keep your child at home if you observe any of the following symptoms:

- Nasal discharge that is green or yellow
- Complaints of ear pain
- Consistent cough
- Severe sore throat
- Eyes that are pink, burning, itching, or producing discharge
- Diarrhea or vomiting
- Fever

If these symptoms or other conditions deemed contagious are observed in your child during a class, you will be called to pick your child up immediately. When your child has a fever, please keep him/her at home until the temperature returns to normal. If there are any lingering signs of illness, such as glassy or watery eyes, listlessness, and drowsiness, please keep your child at home. This will help to ensure that the illness has passed and that your child will be well enough to resume class activities the following week.

Dress Code: Students are required to wear the required dance apparel for each class the student attends. This includes their hair to be properly pulled back or in a bun. Students that are not dressed appropriately will not be allowed to take class. If you have any questions regarding the required apparel for a particular class, please ask the front office or the instructor(s) of the student's class(s).

Private Lesson Disclosure: If the situation should occur in which you may want a private lesson for your child you agree to leave your child with the instructor in an isolated environment for the duration of the lesson.

Tuition: Tuition is always due in full by the twenty-first of the month. Tuition is not prorated and refunds are not given for cancelled classes due to Snow Day or bad weather. There are no discounts when a class is instructed by a substitute.

Code of Conduct: It is the policy of Allegro Dance Company to maintain a positive, healthy, productive learning and working environment for all students, staff and dancers. As part of the dancers training, ADC students are expected to behave in a responsible and disciplined manner and to adhere to the School's rules and regulations, both inside the ADC facility and outside in the greater community as representatives of ADC. Students are expected to treat ADC staff with respect and maintain a positive attitude. ADC strives to ensure that all rules are clear and reasonable. Students are expected to observe the established Code of Conduct. ADC reserves the right to suspend or dismiss any student whose conduct or attitude is found to be unsatisfactory. Please respect the expertise and decisions of the ADC faculty and staff.
